AND DISCOVER ALL THAT THE WORLD HAS TO OFFER.

Discovery 395, shown with Stonehenge décor and Windsor Birch wood finish. (Optional Ultraleather™ sofa sleeper shown).

DISCOVER COMFORT.

Traveling has never been easier or more comfortable than in this plush environment. Relax in style and supreme comfort as you travel to your destination, or take a load off after a day of activities. Enjoy a DVD on the Panasonic® 27" TV with surround-sound as the dual A/C

quickly cools the room. After no time at all you'll come to appreciate the thought and care that went into the design, like the illuminated assist handle at the door and the easy-sweep flooring at the top of the steps.

SOFA SLEEPER, (optional) features the practical beauty of Ultraleather, a durable pet-friendly fabric. It has the soft, supple feel of leather but it's scratch-, stain- and odor-resistant. And unlike leather, it's comfortable at all temperatures.

A CENTRAL VACUUM SYSTEM (optional) makes quick work of cleanup so you can go out and play.

NEXT TO THE ENTERTAINMENT UNIT, your Discovery provides a home for your tapes and DVDs.

ABOVE THE COUCH, a row of compartments holds all the stuff you frequently use.

A COOK'S KITCHEN.

You'll be delighted with the spacious dining room, which provides an excellent excuse for you to test out your new kitchen; with the free-standing dinette*, you can easily seat up to six. Double your workspace for cooking with a roll-out countertop.** Discovery's™

convection microwave cooks better and much faster than an oven. On the 3-burner stove, use your creativity to prepare the cuisine of your choosing. The best part—cleanup is quick and easy. After a few meals here, you may never eat at home again.

** Option available on models 39B, J, L and S.*

*** Roll-out countertop available on 38U and 39L.*

FOUR-PLACE DINETTE features comfortable seating with storage below. Free-standing dinette (optional) with table leaf and two folding chairs can seat up to six.

BUILT-IN COFFEE MAKER is conveniently located to provide more counter room. The spacious cabinets provide plenty of shelf room.

LARGE (1.4 CU. FT.) CONVECTION MICROWAVE does what an oven does in a fraction of the time—fish, steaks, even a whole chicken.

DOMETIC® SIDE-BY-SIDE REFRIGERATOR with 12 cu. ft. of space holds plenty of perishables. And it looks great!

SLEEP COMES EASY.

Sleep comes easy, thanks to a queen-size bed topped with a Restonic® Pillow Top innerspring mattress. The bathroom boasts a shower with glass enclosure and skylight, a porcelain flush toilet, a large sink, a solid-surface countertop

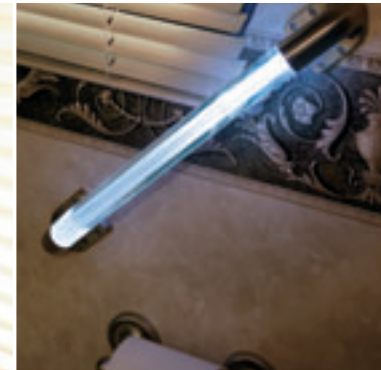

and cabinetry with toe kick. For 2005, enjoy fresh water throughout the whole coach for brushing your teeth as water filtration moves beyond the galley to the bathroom. With all these amenities, it feels just like home.

A PANASONIC 20" TV is angled toward the bed for comfortable viewing. Optional washer/dryer combo is located in a cabinet below.

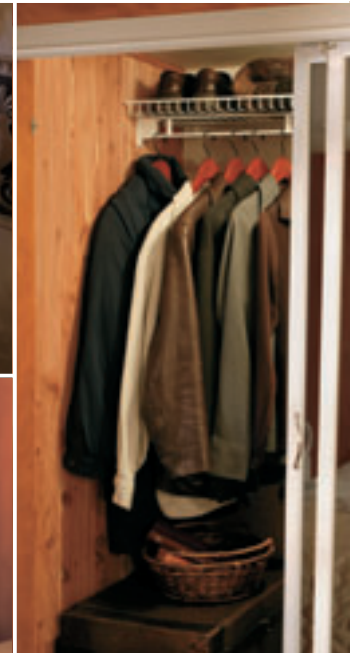

A BEDROOM VANITY with second sink (39B, J, S) is a handy alternative to a busy bathroom. A good place to shave or wash up.

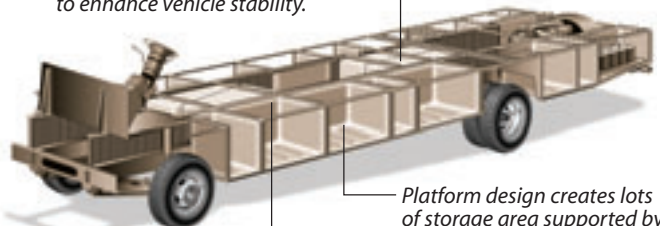

WHEN THE ROAD GETS BUMPY, you'll appreciate the bathroom's lighted grab bar.

IN THE BEDROOM, an AM/FM/CD radio is built into the wall for exclusive bedroom music.

MIRRORED-DOOR WARDROBE comes fully equipped with a light, residential racks and organizers. Cedar lining keeps clothes smelling fresh and moth-free.

Heavy fluid tanks are positioned in the bottom center of the platform to enhance vehicle stability.

Platform design creates lots of storage area supported by sturdy Vacu-Bonded walls.

Neoprene rubber gasket isolates the living area from the chassis for a quiet ride.

POWER PLATFORM CONSTRUCTION

Fleetwood's patented Power Platform begins with two 10" steel I-beams welded lengthwise to the chassis. From the beams, steel outriggers extend outward. Together, they create a basement for fluid tanks and storage while supporting the floor, walls and roof with a metal frame. This makes the chassis even stronger.

Awnings
Patio and door awnings (electric optional) provide shade from the sun.

Standard Dual A/C Units
Discovery has maximum cooling capabilities and plenty of storage because its A/C units are mounted on the roof, not the basement.

Tires
Designed specifically for RVs, Goodyear's® G670 RV provides a superior ride and durability.

Storage
Storage compartments line both sides of coach. Compartments include lights, gas-lift strut supports, stainless-steel hinges and insulated aluminum doors.

Full Paint
Premier multiple-stage paint process provides a luxurious look and a quality finish.

•Vehicle shown in Charcoal exterior graphic.

A PULL-OUT STORAGE BASKET (on select models) keeps small items together.

HOOKUPS are located in one easily accessible compartment.

AN OPTIONAL SPOT LIGHT swivels 180° for easy sight in the dark.

STYLISH WRAP-AROUND DASH features read-at-a-glance gauges and easy-to-reach controls.

SPARE TIRE COMPARTMENT is specifically designed for Discovery's spare tire (spare tire not included).

LIGHTED ENTRY rail is a small but important feature...especially on a moonless night.

FOUR EXTERIORS, NINE INTERIORS. THE CHOICE IS YOURS.

For 2005, mix and match from four diverse exterior graphic and three interior fabric motifs—With each interior, you can choose from one of three wood finishes. 36 combinations in all.

What Drives You?

Maybe it's feeling like you're the only one on Earth. Perhaps it's the unique sense of closeness with the great outdoors. Or, it might be the joy that comes from spending quality time with family and friends. Whatever the reason, we know that you have a strong drive to experience everything that comes with spending time on the road. And for more than 50 years, we've shared that passion with you. Because we're RV enthusiasts ourselves, you can see our passion in the vehicles we design and build. Own a Fleetwood, and you'll feel like you're not just traveling, but embarking on an experience unlike any other. Set your own course for adventure and get out there and explore the world around you. Once you do, you'll see what it is that drives us — it's you.

RV OWNERCARE* is a limited one-year/15,000-mile and three-year structural warranty and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.
