

LIFE'S BEEN GOOD TO YOU.
CELEBRATE IT.

Discovery[®]
CLASS A DIESEL

2009 DISCOVERY

FLEETWOOD.

WHEN THE WHEELS STOP TURNING, THE GOOD TIMES START ROLLING.

When your Discovery rolls into camp, everybody notices. And it's not just Discovery's commanding presence, with its gleaming paint and eye-catching graphics. People know the celebration is about to begin, sharing the fun with family and friends. And there's room for everybody, with a whopping 380 square feet of living space when the full-wall slide is extended (select models).

Quality

There's no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

DISCOVERY

THE NEW 40G MODEL (shown in Cognac interior décor with Plantation Cherry wood cabinetry) is made for entertaining, with a large 32" Samsung® LCD HDTV, entertainment center and euro-style recliners. Picture your party here!

WHY BUY DISCOVERY?

THE ENTERTAINMENT CENTER gives you a front row seat at the big game or latest movie. The big 32" Samsung LCD HDTV, DVD and home theater sound system (40X has a 40" LCD HDTV standard) are nicely housed in sleek cabinetry. An auto-locating satellite dish is included, and an auto tracking option will track the satellites for you as you drive.

THE ULTRALEATHER™ SOFA (optional) provides cozy seating for two to watch a romantic movie or invite friends over and share a drink.

Step up to luxury.

Discovery is the brand so many motor home owners aspire to own. Its power and luxury is truly impressive.

Built for comfort and convenience.

In Discovery, you'll find ergonomically designed spaces that are very livable and comfortable — they just feel right.

Unmistakable quality.

Discovery owners have high expectations, and Discovery does not disappoint. The exceptional quality of the components is consistent throughout.

Space for entertaining.

The more the merrier, with a galley suitable for preparing big meals, countertop space for party trays and drinks, and plenty of room for guests.

Luxurious bed and bath.

The oversized bedroom suite is built for relaxation with fine amenities and ample space to spread out.

YOU'VE
WORKED HARD.
NOW IT'S TIME
TO PLAY HARD.

You've paid your dues and you're ready to relax in comfort, with conveniences close at hand.

Discovery provides dozens of standard features that others consider optional. The galley is a great example, with its upscale appliances, oversized refrigerator and designer appointments. It's sure to be the center of any celebration. But with Discovery's expansive interior, your party has room to spread out, too. The functional space has been designed for entertaining and hobbies, with plenty of horizontal surfaces.

Trust

More people trust Fleetwood. After all, we've spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

DISCOVERY

THE DINETTE is a great place to watch the sun rise with a hot cuppa joe. When company arrives for pancakes, it can expand to seat six. Don't forget to feed Sparky – his food fits nicely in the pull-out drawers underneath.

THE GALLEY is set to serve up hot food and warm hospitality. Just place your hors d'oeuvres on the pull-out galley extension that rolls out and locks into place (select models). The Norcold® refrigerator/freezer keeps all your drinks cold, with 12 cubic feet inside. You'll also enjoy a large GE® convection microwave oven and three-burner recessed cooktop.

THE DOUBLE SINK WITH REMOVABLE COVERS converts to extra countertop space in a flash. The covers are made from the same elegant solid surface material as the countertops, so they're also non-porous and resistant to stains and scratches.

THE COUNTER EXTENSION gives you extra counter space, a perfect place for food preparation. Once you are done cooking, just push the extension back underneath the counter and it's out of the way.

YOUR PERSONAL
SPACE HAS
NEVER BEEN SO
SPACIOUS.

The 2009 Discovery boasts a 30" slide in the bedroom where many other coaches only slide 18". The result is a wide-open suite where you'll want to spend time relaxing, just like a fine hotel room. The bath offers equal luxury, especially the oversized bathroom in the 40X model. Because a little alone time can be nice, too.

Passion

We're truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

DISCOVERY

UNDER BED STORAGE provides an out of the way space to store linens, clothing, towels and more.

BUNK BEDS (Available on select models) are loved by kids and teenagers alike. Each bunkmate can have their own optional flip-down screen with inputs for a portable DVD or video game player. Wireless headphones are included. If there's just one camper, use one bunk to store extra gear, with nets to keep your gear in place.

THE BED beckons with a queen-size Restonic® mattress. The innersprings support your body, while the pillowtop provides the soft plushness of a pillow.

FULLY EXTENDING DRAWERS allow you to store things even at the very back.

THE WASHER/DRYER COMBO (optional) performs double duty, washing and drying your clothes while you roll down the highway. It is hidden away behind handsome cabinetry.

BEDROOM TV brings your favorite shows to your bedside with a wall-mounted Samsung® LCD HDTV and home theater. Below sits the handsome dresser, providing first class accommodations for your linens.

THE DELUXE BATH is bigger and more beautiful than ever. It includes a marble-look shower, a Fan-Tastic® fan, and a Moen® faucet crowning a solid surface vanity. The décor throughout flows like a designer bath.

DESIGNED
FOR THOSE WHO
HAVE BEEN
AROUND
THE BLOCK.

As an experienced motor home owner, you know quality components when you see them. And you'll find them everywhere you look in Discovery, from the powerful 350HP Cummins® diesel engine to the new one-piece panoramic windshield. Another great example is the new 2000 watt pure sine inverter, which delivers clean, pure AC power to enhance the operation of your quality electronics and appliances.

 DISCOVERY

THE PASSENGER SEAT is designed for mile after mile of comfort. It's heated to take off the chill, and covered in soft, easy-clean Ultraleather™. An optional electric footrest and power adjustments customize the feel.

KEYLESS REMOTE ENTRY lets you lock or unlock your Discovery with the push of a button. No more fumbling around with keys.

THE COCKPIT AREA wraps around you to deliver a superior driving experience. Even the steering wheel tilts and telescopes to suit your frame. The driver's seat has been specifically designed for comfort during those marathon drives, with a Flexsteel® frame and breathable Ultraleather™ covering.

THE COLOR BACK-UP MONITOR lets you see what's behind you. The rear camera allows you to check your towed vehicle and view behind it.

THE ERGONOMICALLY DESIGNED INSTRUMENT PANEL places all the controls at your fingertips. The large, backlit gauges are easy to read at a glance, even at night. And the Information Center continuously monitors your coach's performance on the road.

THE POWER VISOR is a new standard feature. If you need to reduce the sun's glare while driving, just push a button to adjust the power visors automatically. No more fumbling with visors while driving.

DISCOVERY MAKES A STATEMENT IN EVERY STATE.

Whether you're traveling through Maine or Montana, Discovery is sure to turn heads with its high gloss finish and artistic exterior graphics. For greater curb appeal, the exterior graphics have been redesigned for 2009. The unmistakable look of quality comes from DuPont® full-body paint, carefully applied in a two-stage process.

DISCOVERY OUTMANEUVERS THE REST.

With a 55-degree wheel cut, Discovery is easier to maneuver in tight spaces like campgrounds and parking lots, as well as backing up and parking. That's a tighter turning radius than many competitors.

350HP

THE CUMMINS® ISB 350HP ENGINE delivers a ton of diesel power and 760 foot pounds of torque. That kind of power makes molehills out of mountains. Towing is a breeze, too.

- ① **ELECTRIC PATIO AND ENTRY DOOR AWNINGS** create an instant front porch. The patio awning includes a wind sensor to automatically retract if a strong breeze kicks up.
- ② **DUAL AIR CONDITIONING UNITS** on the roof provide maximum cooling and free up basement storage space.
- ③ **FULL-BODY PAINT** is carefully applied using a two-stage DuPont® paint process. So that mirror-like shine is not only impressive but durable.
- ④ **ONE-PIECE WINDSHIELD** provides an uninterrupted, panoramic view of the road and horizon.

Vehicle shown in Black Cherry Scheme 2 exterior graphics.

THE SIDE VIEW CAMERAS (optional) are integrated into the chrome exterior mirrors and transmit to the driver's area monitor. The cameras are controlled by the driver to help you see blind spots in the adjacent lanes. Once you're docked, they're handy for extra security.

EXTERIOR GRILL AND KITCHENETTE (optional) will be the biggest, baddest BBQ in the RV resort. Includes a propane grill, refrigerator, sink with hot and cold running water, storage areas, and even outlets for your margarita blender.

- ① **NEW SIDE-SWING LUGGAGE DOORS** open to the side instead of upward. That gives you better access to the compartment and doesn't block others (Select doors only).
- ② **4-POINT LEVELING SYSTEM** levels your Discovery with a one-button push.
- ③ **STORAGE COMPARTMENTS** line both sides of the coach, and are individually lit to help you see your cargo after dark.
- ④ **THE FIBERGLASS REAR CAP** shows Discovery is stylish from front to back. Its high-mounted taillights can be seen over most towed vehicles.

Vehicle shown in Black Cherry Scheme 2 exterior graphics.

THE POWER BRIDGE CHASSIS™.

PART HERCULES. PART EINSTEIN. ALL YOURS.

It's strong. It's smart. And it's here to change the way you travel. Created with your every need in mind, the all-new Power Bridge Chassis brings you sleek engineering, a smooth ride and convenience like you've never imagined. Feast your eyes on storage compartments so big, you'll never have to unpack. Experience balance and handling so incredible, you'll never want the trip to end. With so many surprises built-in to every nook and cranny, it's the soul of the ultimate RV.

Harness the power.

WASTE NOT, WANT NOT.
The Power Bridge Chassis is more than just a well-oiled machine. Every available inch is configured to maximize your storage capacity – so you'll never want for extra space.

OPEN AS THE ROAD.
Huge and versatile, pass through storage compartments let you pack items side to side, back to front, and even diagonally.

TURN ON THE WATERWORKS.
With a super-sized fresh water tank long showers are never in short supply.

ALL ACCESS PASS.
An ingenious integrated raceway means quick access to electrical wiring and plumbing. This translates into easier maintenance for you.

EASY RIDER.
Offering unparalleled strength, the Power Bridge Chassis has been engineered for an improved ride and handling.

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

Drawings are for illustrative purposes only to highlight aspects of motor home construction. Actual motor home design depends on model and is subject to change.

INTERLOCKING CEILING-TO-SIDEWALL CONSTRUCTION helps keep the box square. This assures a proper cabinet fit.

INTERLOCKING FLOOR-TO-SIDEWALL CONSTRUCTION locks tightly to keep out water, dust and noise, and helps eliminate squeaks and rattles.

VACU-BOND® SIDEWALL CONSTRUCTION creates a strong, weather-resistant structure. The sidewalls, floor and ceiling are Vacu-bonded to a durable metal frame, far superior to the pinch roll method our competitors often use.

DISCOVERY

PASS-THROUGH STORAGE WITH SIDE-SWINGING DOORS holds chairs, sports gear and more. You can take items out from either side. And the new side-swinging luggage doors make it easier to access your stuff, because the doors swing out of the way.

THE PULL-OUT TRAY (optional) keeps your smaller items together so they don't get scattered. It's a great place to stock your extra refreshments before they move to the refrigerator.

PATIO STORAGE CENTER provides a place for your patio set-up tools or BBQ utensils. Storage center is equipped with both a 12V and 120V plug to recharge your flashlights or charge up that remote controlled car.

WE ADDED MORE STORAGE SO YOU DON'T HAVE TO TRIM YOUR PACKING LIST.

Now Discovery offers even more room for all those toys, gadgets and gear that make traveling more fun. We've increased the storage volume in every model, from the size of the bedroom overhead cabinetry to the exterior pass-through storage.

PEACE OF MIND INCLUDED, STANDARD.

Fleetwood engineers have built dozens of safety features into Discovery, from the 3-point seat belts to the leveling jacks that automatically retract if the drive gear is engaged. Before you head out for the wild blue yonder, be sure to check the pre-trip safety inspection checklist that's built into the Information Center monitor. On the road, you'll appreciate the Sachs shocks, which improve handling. These are just a few of the safety features we've included to provide you with extra peace of mind.

Safety

You've got precious cargo. So we've engineered dozens of innovative safety features into our motor homes to give you more peace of mind.

Liquid Weight Reference: Water (gal) = (8.3 lbs/3.8 kgs) Fuel (gal) = (7.1 lbs/3.2 kgs) Propane (gal) = (4.2 lbs/1.9 kgs)
Metric Conversion: Multiply pounds x 0.453 to obtain kilograms. Multiply gallons x 3.785 to obtain liters. Multiply liters x 61 to obtain cubic inches.

- GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo carrying capacity.*
- GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
- GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to Fleetwood and chassis manufacturer's manuals for complete information.
- Length measured from front bumper to rear bumper (excludes accessories).
- Excludes safety equipment and awnings.
- Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
- Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

CHASSIS

Model: Freightliner® XCM-Series
Engine: Cummins® ISBXT 6.7L

Discovery
CLASS A DIESEL

† The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

N/A = Not available at time of printing.

*UVW and OCCC are found on the label containing the federal certification tag in each RV.

IMPORTANT— PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

RV OWNERCARE*

Limited one-year/15,000-mile coach warranty and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

IMPORTANT—PLEASE READ

Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicles capacities are not exceeded.

WHY FLEETWOOD?

Quality

There's no cutting corners. Skilled craftsmen build every Fleetwood RV for maximum durability and longevity.

Trust

More people trust Fleetwood. After all, we've spent over 50 years perfecting RVs, earning the loyalty of generations of RVers.

Passion

We're truly passionate about the RV lifestyle. Fleetwood was founded by RV enthusiasts, and that tradition continues today.

Safety

You've got precious cargo. So we've engineered dozens of innovative safety features into our motor homes to give you more peace of mind.

Service

Help is nearby. When you need an upgrade or repair, you'll find Fleetwood dealers all across North America ready to assist you.

Warranty

Exclusive RV ownercare warranty. See your Fleetwood dealer for details.
