NEWSLETTER OF THE

VOLUME 1, ISSUE 3

GLENDA M. ANGUS, EDITOR

JUNE 2012

COMMENTS FROM THE PRESIDENT

I hope everyone is having a great summer. The Hosts for the Fall Rally met in Waynesville, NC to make the final arrangements.

The hosts are the officers, spouses of the chapter and Frank & Isabel Cason. The rally will start Wednesday Sept. 19, 2012 and will end on Sunday Sept. 23, 2012. Early arrival is Tuesday Sept. 18, 2012. During our talks with the RV Park they offered us the use of a Red Barn. We decided that the barn would not be safe enough so the park said that we could use a grassy area with tables, a fire pit, and deck along the river. In case of foul weather we made arrangements for a large tent. You will find the registration form and itinerary in the newsletter. The park has set aside 25 sites for us. So we ask that you make your plans ASAP. There will **NOT** be a rally fee and all **meals will be provided by the chapter**. We have planned two optional

activities, golf at the Maggie Valley Resort and a Biltmore House Tour. This rally will be our end of the year chapter meeting and elections for new officers for 2013 – 2014. So we ask all members to make plans to attend. If you have not visited the area before I would suggest several sites to consider: 1. Cherokee Indian Reservation and casino. 2. down town Asheville 3. Elk Viewing. The National Park Service restored the Manitoban Elk back to the Smoky Mountains several years ago and you are able to see them in Cataloochee Valley. We will have directions available at the rally. I am looking forward to seeing you in Waynesville, NC. Please remember Richard Money and his family due to the passing of his beloved wife, Marie due to her cancer on Sept. 17th. She was a friend of us all and she will be missed. Flowers were sent from the Chapter for Marie.

ELECTION YEAR

Hello to everyone.

This is the year for the Blue Ridge Discoverys Members to elect their new board of officers for 2013 and 2014. The current board has done an outstanding job for the past year and half. Unfortunately, only two members have put their name in the hat for the next two years. With that being said, each member needs to evaluate their situation and consider stepping up to help lead the chapter for the next two years.

None of the position require your full time attention. I have listed below the Duties and Responsibilities of the board members. Read them, think about a position you know you can fill and let me know. You can contact me by phone (423-552-5257) or by email (cason.frank@gmail.com) to put your name on the ballot. Elections will be conducted at the Waynesville, NC, rally in September. You must be present to vote for the 2013-2014 board members. So help me out and help the chapter continue to grow by becoming a member of the Blue Ridge Discoverys board.

Thanks,

Frank Cason, 2012 Election Committee

Biltmore Mansion

Biltmore is a Chateau styled mansion in Asheville, North Carolina, built by George Washington Vanderbilt II between 1889 and 1895. It is the largest privately owned home in the US at 135,000 square feet, and is still owned by Vanderbilt descendants. Biltmore spans more than 8000 acres with gardens, a winery, a gift shop and a dairy. A tour of the home and property is an experience you will not forget. I thoroughly enjoyed my trip there. Below are some photos I took on my visit. Hope to see you on the tour. Glenda

Assemble the parts as per the diagram on the next page from Richard Money. Once the pieces of pipe are attached to the receptacle box and are tight you need to either weld or have someone weld the C Clamp to the 8 inch piece of pipe. Make sure the bottom of the clamp is level with the bottom of the box. Once that is completed you can paint the entire assembly.

Let the paint dry and then run your wiring and connect the light. The combination switch/receptacle allows you to have power to the receptacle and once it gets dark switch the light on. This is great if you want to use a frying pan or cooker on the table. Photos included of the entire process from beginning to end.

Tribute

Marie Money, beloved wife and friend of Richard, departed this world on June 17, 2012. Marie was a founding member of the Blue Ridge Discoverys and attended most if not all of the BRD rallies. Richard & Marie were members of the Mason-Dixon's before the BRD was created. Marie was a loving, avid traveler who had a cute spicy humor and was always ready for a trip in the motorhome. When Richard hinted that they might get a new motorhome, she was all for it and encouraged the trade - - matter of fact, we think she was more in favor of the trade than Richard and she was very excited when they took the big step. Marie was a fighter who never held back, even during some of her most trying days, as she struggled with her fight against cancer. She loved golf days, it gave her an excuse to **shop, shop, shop**, especially in the shoe departments. Imelda Marcos couldn't hold a candle to Marie when it came to her shoe ensemble. When the boys returned from golfing, Marie was the one who would encourage a trip to Plant City or a similar place to get some ice cream or strawberry shortcake. In the evenings, she was always up for a special Bloody Mary mixed to perfection by her 'Knight In Shinning Armor,' Richard. Marie will be deeply missed as Richard's "better half" and one of the founding members of the Blue Ridge Discoverys. We know that she is in a better place, without pain, and that she will be watching over us as we travel around the country. We love you and you will be sorely missed, God Bless you Marie.

MEMBERS TRAVEL HIGHLIGHTS

Thanks to Ron and Anne Spearman for this months travel highlights. In addition to traveling in their RV, Ron and Anne are “bike” riders.

“Riding to the Wall”

“Ron and Anne recently participated in Rolling Thunder XXV. Rolling Thunder is an annual motorcycle rally that is held in Washington, DC, during the Memorial Day weekend to call for the government's recognition and protection of Prisoners of War (POWs) and those Missing in Action (MIAs). The tribute to American war heroes started out in 1988 with 2,500 participants. Now approximately 900,000 participants and spectators (well over 500,000 motorcycles) are involved with this annual demonstration in Washington, DC. Rolling Thunder celebrated its 25th anniversary this year. We arrived at 7:30 am and staged out of the north and south parking lots of the Pentagon beginning at 8:00 am. The first bikes begin to roll at noon - down Independence Ave to the Capitol and back down Constitution Ave to Arlington Bridge. Our rows begin to roll at 2:00 pm. What a sight - people lined up waving signs and flags. About halfway through we passed three Marines in full dress uniform saluting each biker and maintaining this salute till the last biker passed several hours later. At the end of the ride bikers parked their bikes and made their way to the Vietnam Wall and Lincoln Memorial where entertainment was provided. We made our way back to our son's home where we continued our reunion with children and grandchildren.”

Bob and I used to ride and although we never got to Washington on the bike, I have been there and this is certainly a place you won't want to miss in one of your travels. Especially those of you are veterans. (Glenda)

California-Style Chopped Salad with Shrimp

(Serves 4)

Ingredients Salad:

- 1 Head Romaine Lettuce, trimmed and halved lengthwise
- 1 Ear Corn, husk and silk removed
- 2 Zucchini, halved lengthwise
- 6 Colossal or 12 extra-large shrimp, peeled and deveined
- Olive oil, for drizzling
- Kosher salt and freshly ground black pepper
- 1/2 head butter lettuce, torn
- 2 medium tomatoes, chopped into 1/2 inch pieces
- 1 Avocado, halved, pitted, peeled and diced

Ingredients Dressing:

- 3 Tablespoons fresh lemon juice
- 3 Tablespoons extra-virgin olive oil
- 1 1/2 Tablespoons Agave nectar or honey
- Kosher Salt and Freshly ground black pepper
- 2 Cups store-bought tortilla Strips (Mission Restaurant Style recommended)

For Salad: Heat grill pan over medium-high heat or preheat a gas or charcoal grill. In large bowl, add the Romaine lettuce, corn, zucchini, and shrimp and drizzle with olive oil. Season with salt & pepper to taste. Grill the Romaine lettuce, turning occasionally, until crisp-tender and browned in spots, about 2 minutes. Coarsely chop the grilled lettuce and add it to a large salad bowl. Grill the corn and zucchini for 2 minutes on all sides until crisp-tender. Remove the kernels from the corn and add to the salad bowl. Chop the zucchini into 1/2 inch pieces and add to the bowl. Grill the shrimp until the meat is opaque and cooked through, about 2-3 minutes on each side. Cool slightly and cut into 1/2-inch pieces. Add the chopped shrimp, butter lettuce, tomatoes, and avocado to the bowl.

For Dressing: In a small bowl, whisk together the lemon juice, olive oil, and agave nectar until smooth. Season with salt & pepper to taste.

Pour the dressing over the salad and toss until all the ingredients are coated. Garnish the salad with torilla strips and serve.
