COMMENTS FROM THE VICE-PRESIDENT

BRD's are between Chapter rally's. We are currently attending the National DOAI rally in Goshen, Indiana to help celebrate the 20th anniversary of DOAI.

We started the trip with a total of eleven coaches meeting in Shippshewana, Indiana to learn, have a good time, and for a few to purchase new RV furniture. The BRD assaulted Goshen in mass, arriving three days early in a caravan led by our chief scout, Frank Cason. We are 21 coaches strong at the National.

We leave Goshen on Sunday for a two day caravan to Bowling Green, Kentucky where we are meeting with other BRD members. There are 23 coaches registered for the BRD Bowling Green Rally. Plans include a tour of the Corvette manufacturing plant, distillery tour, the usual game of golf, and maybe a taste or two of some bourbon.

Our Spring 2019 rally is planned for River Plantation RV Resort, Sevierville, Tn and will be held April 28 through May 5, 2019. Purpose of the rally will be to get ready for and to set some plans for the 2020 National DOAI rally which we will be hosting

from Sept 29 through October 4, 2020. Frank Cason is the coordinator for these rallies and Bob Angus is the Rally Master.

Rally applications for the Spring 2019 rally will be available soon. We hope that all old and new members join us in Sevierville.

BRD held it's officer elections during August. Jim Pinkerton was elected as President and Tim Ridgely as Rally Master. Laura Johnson and Rick Blaher volunteered to be Assistant Secretary and Membership Chairperson, respectively. All other positions were filled by their current holders.

We wish all BRD and DOAI members and their families the best of health and safe travels.

Kerry Pinkerton, DOAI SE Regional VP, reported the location for the SE National Rally for 2019 has not been determined. The location will be announced as soon as a location can be researched. Chapters responsible for hosting the rally will be as previously announced. Kerry will provide an update to the chapter when a decision is made about this rally.

Regarding membership, Kerry reported that DOAI has stated there is no official rule in DOAI 's by laws concerning members no longer owning a Discovery motor home. DOAI is leaving the decision of non-Discovery owner/member to the discretion of each Discovery chapter. Some chapters have already addressed this issue, allowing the non-owner member to continue in the chapter, but having no voting privileges.

VP Leydic suggested BRD have a discussion concerning this matter after the new slate of officers assume office. Jim Pinkerton suggested BRD use Election Buddy to vote on this decision. Those chapter members present agreed this would be the method used to vote on the matter.

VP Leydic inquired if there was any other business. There was none. Bob Angus moved to adjourn. Dick Pryor seconded the motion. The meeting adjourned at 4:40 pm.

Respectfully submitted,

Linda G. Terrill,

BLUE RIDGE DISCOVERY CHAPTER RALLY

September 22, 2018

BOWLING GREEN, KY KOA

Vice President Tom Leydic called the chapter meeting to order at 6:15 p.m.

Katy Leydic led the chapter in the Pledge of Allegiance to the Flag.

VICE PRESIDENT'S REPORT:

V.P. Leydic reported he was standing in for President Richard Money. Thoughts and prayers are going out for Richard and Jean.

V.P. Leydic thanked Bob and Glenda Angus for hosting the rally. He also thanked those members who assisted them. Everyone thanked the rally park for all the perks provided to the chapter.

SECRETARY'S REPORT:

Secretary Linda Terrill emailed the chapter minutes for the Goshen National Rally to all the members on 09/13/18. Any corrections and/or comments were asked to be made. There were none.

Bob Angus made the motion to accept the minutes. Angel Rodriguez seconded the motion. The minutes were approved unanimously.

TREASURER'S REPORT:

Treasurer Mike Hopkins reported the chapter currently had a cash balance of \$7,965.49. This included rally expenses, dues from new members, and the election process expenses. The financial statement will be emailed to chapter members.

Bob Angus moved to accept the Treasurer's Report as presented. Dick Pryor seconded the motion. The report was unanimously approved.

RALLY REPORT:

V.P. Leydic asked Frank Cason to report on the Pre-Pre National Prep Rally scheduled for 04/28/2019 through 05/05/2019 at River Plantation RV Resort in Sevierville, TN. Frank presented each coach with a preliminary registration form. He explained the rally fees had not been determined, but will be made available after 10/08/2018. Those members planning on attending will need to make their own reservations with the RV Resort.

This rally will be a work rally in preparation for the 2020 Fall National Rally. Frank reported he has scheduled meetings with the RV Resort Manager and caterer. He hopes to firm up the rally sites and fees. He will keep the chapter informed. Frank asked that all members be sure to have their flag posts available for all the rallies. Blue Ridge Discoverys will fly their flags at the 2020 National Rally. He inquired if there were coaches not having the yard flag posts. Those who don't should receive a copy of the flag posts directions.

Rally Master Bob Angus thanked all those who had assisted him for the past 4 years in scheduling rallies. He encouraged those who have not hosted a rally to step up and volunteer in assisting incoming Rally Master Tim Ridgley with upcoming rallies.

Bob also discussed the 2020 National Rally. He named several people who have agreed to be committee coordinators as well as those who have agreed to work on committees. He asked all members to volunteer to work on a committee.

V.P. Leydic discussed Frank and Bob's comments concerning the Fall 2019 National Rally. That location has not been determined. As Blue Ridge Discovery usually "piggy backs" on the National Rally our location also has not been determined. Once a decision is made as to the National Rally location, incoming Rally Master, Tim Ridgley, will be contacting members to host the Blue Ridge Discovery rally. V.P. Leydic encouraged the members to volunteer to assist Tim.

OLD BUSINESS:

There was none.

NEW BUSINESS:

Mike Weiher inquired if there had been any discussions concerning changing chapter shirt designs. He proposed an oxford style shirt (button front) for a more polished look. V.P. Leydic proposed this suggestion be posed for consideration by the incoming executive board. Those in attendance agreed.

Mike Hopkins discussed DOAI's decision concerning non-Discovery owners being allowed membership. Each chapter will be making a decision concerning this.

Frank Cason discussed Blue Ridge Discovery's by-laws concerning non-Discovery membership. At this point the by-laws state voting members will own a Discovery motorhome.

V.P. Leydic recommended this discussion be postponed to a later date. Those members present agreed.

There being no further business, V.P. Leydic called for a motion to adjourn. Bill Johnson (Rome, GA.) made the motion to adjourn. Frank Cason seconded the motion.

The meeting adjourned at 6:50 p.m.

Respectfully submitted,

Linda G. Terrill, Secretary

Furniture Fest

The DOAI rally in Goshen, IN turned into a Furniture-Fest for several BRD members!

Tom & Katy Leydic traveled to Shipshewana in July to furniture shop. They ordered a sofa from Lambright Comfort Chairs, and new captains' chairs from Bradd & Hall. They arranged for installation of their sofa to be done during the rally. The captain's chairs would be installed by BRD members at the campground during the rally. They ordered power footrests on both chairs, and Bradd & Hall said they could not legally install a chair with a footrest in the driver's chair position. They could sell them, but not install them.

Mike and I had already planned our own shopping trip, and when we learned that Tom & Katy were already there, I talked with Katy and she told me what stores we should check out. We arrived a week later and went shopping. We ended up ordering the same style sofa they had selected, also from Lambright. We ordered a credenza, dining table, and chairs, to replace our U-shaped dinette, from Bradd & Hall.

We arrived back in Shipshewana in late August for the installation of our new dining furniture. We love it! The table is free-standing, so we can pull it out into the middle of the floor, and use all 4 sides for seating. With the 12" extension leaf, it is 48" long, much larger than our old table, and we love the new chairs!

Shortly after arriving in Goshen, for the DOAI rally, Tom & Katy got their new sofa, and ours was installed a few days later. The sofa we both got has dual wall-away full recliners. The back of the center section folds down to make theater seating, with cup holders, table area, and phone charger. It also has electronic reclining controls, and electric adjustable headrest. There is really no comparison to the old furniture! This sofa is extremely comfortable! Just about everyone who came to see them said, "I have to have one of these!"

The installation of the Tom & Katy's captain's chairs proved to be more challenging than expected. But after several trips to the hardware store, the use of some power tools, and persistence, they finally got the first chair installed, and the 2nd one went in more easily the following day. They are SO comfortable!!

A few days after our sofa was installed, Rick & Diana Blaher went to Lambright to look at new furniture for their coach. They ended up purchasing the floor model of the same sofa that we and the Leydic's purchased, and were able to get it installed right away.

Just before the end of the rally, Mike Weiher drove over to Lambright to see what he could find for his coach. He picked a little bit different style as the rest of us, since he needed a shorter sofa for his space. As it turned out, they had the sofa he wanted, in the color he had chosen, in stock. He delayed his departure by 1 day, got his new sofa installed Monday morning, and then drove the 8 hours, straight through, to the BRD rally in Bowling Green.

The Blaher's also had their wine cabinet converted to pantry shelving. Addresses below for purchases.

Water System Modification

Recent water system modification on my 2015 Discovery 40E. It has simplified our setup procedures by eliminating setting up the water softener, water pressure regulator and water filter. Now they are built in and all we need to do is hook up the water hose. As you can see in the photo, the water hose is connected by use of a quick connect going first to an adjustable water pressure regulator, then using Shark Bite PEX fittings and tubing, it goes to a water filter mounted with a T-connector with valve to provide water to the Sami-Flush. No more separate hose connection needed. From the water filter it goes to the water softener, that is now mounted. It can be disconnected easily to remove when time to regenerate. From the water softener the water now feeds to the water inlet connection into the house plumbing system. This modification is an awesome change to our motorhome. I must give all credit and thanks to Frank Cason who did this project.

Prayers

Prayers requested for my sister Sheila and her family. Her husband David Dillard passed away this morning unexpectedly. Some of you may remember I had mentioned my brother in law was ill, but this morning he suffered a fatal heart attack. We will be heading toward Oklahoma in the morning to be with the family. Please keep Larry Weinberg in your prayers as he has several medical issues at this time.

ITINERARY

FOR THE COOK

TWICE BAKED POTATOES (8 halves)

Ingredients:

4 large baking potatoes
8 slices of bacon
1 cup sour cream
1/4 - 1/2 cup milk
4 Tbs. butter
1/2 tsp. salt
1/2 tsp. pepper
1 cup shredded cheddar cheese, divided
8 green onions, sliced and divided

Preparation:

Preheat oven to 350 F.,

Bake potatoes in oven for 1 hour Or microwave for about 12 minutes after poking holes in potatoes so they don't explode. They should be tender. If not, nuke for an extra minute or two.

While baking, place bacon in large, skillet and cook over MEDIUM-HIGH heat until evenly browned. Drain, crumble, and set aside.

When potatoes are done, let cool for 10 minutes. Slice in 1/2 lengthwise, and scoop flesh into a large bowl, leaving about 1/4" of flesh in skin so potato retains it's shape; save skins. To the potato flesh, add sour cream, salt, pepper, 1/2 the cheddar cheese, 1/2 the green onions, and milk. Start with 1/4 cup, but add more to get the consistency you desire. You don't want it too runny. Mix with hand mixer until smooth and creamy. Spoon mixture back into potato shells and top with bacon, remaining cheese, and onions.

Bake in oven for another 15-20 minutes at 350 F.

Prep time 30 minutes. Cook time 60 minutes (or 12-15 in microwave).
Great side for chicken, beef or pork.
