### PRESIDENT'S REPORT

Hi everyone,

**Each of you should have received an email containing our new photo directory as an attachment..** There have been some changes in the addresses or phone numbers so I will be emailing out a revised copy shortly after this newsletter goes out. I do want to keep it up to date so if you have any changes please send them to me as it is now easy to make changes/corrections and resend it out as needed.

I will keep this newsletter short as there is not much new. We are going to have a really great turn out for the Pigeon Forge Rally this month. I did receive the new blue shirts so will have them available to distribute at the rally.

**HUMOR FOR THE MONTH -**

**TENNESSEE WOODEN LEG INSURANCE**

A man and his wife, moved back home to Tennessee from Ohio .

The husband had a wooden leg, and to insure it in Ohio cost them \$2000 per year!

When they arrived in Tennessee, they went to an insurance agency to see how much it would cost to insure his wooden leg.

The agent looked it up on the computer and said: "\$39.00."

The husband was shocked and asked why it was so cheap to insure in Tennessee compared to \$2000 in Ohio !

The agent turned his computer screen towards the couple and said, 'Well, here it is on the screen.... It says: "Any wooden structure, with a sprinkler system above it, is \$39.00". You just have to know how to describe it !
