### **PRESIDENT'S REPORT**

Another year has come and gone. We have had a good year, we've added a few new members, brought back a few old members and still have a few prospects. We held two fantastic rallies that were very well attended. Let's keep up the good work.

We have the Southeast Region Rally coming up January 24- 29 and I know there are a lot of Mason Dixon's going. When we have our meeting, please attend and bring some ideas for the club. If you have a favorite campground that you think might be interested in supporting a rally, let us know, we are always looking for new locations. Also, consider co-hosting a rally. Ask anyone that has co-hosted one about what is involved. Sure there is some work but just about everyone that attends helps, so the work isn't that much. Our fist planned rally is in May at Americamps in Ashland, VA May 11 -14, 2015 (More on that in the Rally Section). We don't have to wait until May for a rally we could have one earlier.

I had sent out an email about a rally in Cape May, NJ in late August or early September of next year to see what type of response we would get because the DOAI National Rally is in late September in Bath, NY. With our rally being so close I was concerned about the attendance. No one answered the email. I can only assume that Cape May was not very well accepted. Any other suggestions?

Alice and I want to wish everyone a Merry Christmas and Happy and Safe New Year.

## THINGS I'VE LEARNED LIVING IN THE SOUTH

In Cajun country, if it doesn't move, eat it; if it moves, kill it then eat it.

A possum is a flat animal that sleeps in the middle of the road.

There are 10,000 types of spiders. All of them live in the south, plus a couple no one's seen before.

If it grows, it'll stick ya. If it crawls, it'll bite cha.

Onced and Twiced are words  
It's not a shopping cart it's a buggy

JAWL-P means, Did you all go to the bathroom

People actually grow, eat, and like OKRA  
FIXINTO is one word and it means, I'm going to do that

Iced tea is appropriate for all meals and you start drinking it when you are two.  
We do like a little tea with our sugar. It's referred to as the Wine of the south

Backwards and forwards means I know everything about you

The word JEET is actually a question meaning, "Did you eat?"

Ya'll is singular, All ya'll is plural

The local newspapers cover national and international news on one page, but require 6 pages for local high school sports, motor sports and gossip.

You think the first day of deer season is a national holiday

You know what a "hissy" fit is

Fried catfish is the other white meat.

We don't need no dang Drivers Ed. If Mama says we can drive, we can drive.
