PRESIDENT'S REPORT

Our June ‘Virginia is for Lovers’ rally at Americamp RV Resort in Ashland, VA was a great success! Unfortunately, I was only able to be there for part of the rally due to being needed at home to help Pat while she endures her

bout with shingles that unfortunately is continuing as I write this. **Helen and Sonny Blackwell** and **Mary Anne and Larry Weinburg** did a super job as hosts for the rally. The Hoof Prints of History Tour at Meadow Event Park (birthplace of triple crown winner, Secretariat) was very interesting and enjoyed by everyone. The rally hall facilities and the campground provided breakfasts were great. We welcomed new chapter members Craig and Sue Sincock.

We held our chapter meeting on Friday morning where **Marshall Godwin** presented and led discussions on the status of plans and actions for our chapter’s hosting of the 2018 Southeast Regional Rally to be held at Lazydays in Seffner, FL, beginning on Sunday, January 28th through departure day on Saturday, February 3, 2018. Marshall is Rally Master for the regional. Marshall has gotten ‘New Oddessey’ some great entertainers lined up for the rally. Also we will have Jim and Chris Guld who have a business known as Geeks on Tour (www.GeeksonTour.com) participating in the rally to provide seminars and one on one assistance regarding computers and cell phone use for RVers. Additionally Marshall is working on a number of corporate sponsors to support the rally. I want to give a huge ‘Thank You’ to Marshall for all that he is doing for the SE Regional and ask that all members support his efforts.

Chapter members have taken on responsibili-

ties for the various tasks and activities that need to be accomplished to ensure the success of the SE Regional. Marshall will be putting out information summarizing who is doing what and other details of the rally. It’s very important that everyone actively contribute to the success of the SE Regional that will kick off DOAI’s celebration of the 20th Anniversary of DOAI.

Our **next chapter rally** will again be held at Americamp RV Resort with arrival Sunday August 20th and departure Thursday August 24. That meeting will be devoted to working on detail plans for the 2018 SE Regional. Everyone is asked to make every effort to attend and participate in this rally.

The DOAI National Rally for this year is being held in Shawnee Oklahoma in October and we hope to have a strong chapter participation at the rally. We will hold a chapter meeting during the National.

The position of Chapter Secretary is vacant and we really need someone to volunteer to fill the job!

In other news, **Toni Calzone** has sold her coach and we wish her well as she departs and thank her for all the great assistance and technical know-how on maintaining our Discoveryys she has provided members.

Secretary Report

The chapter meeting was called to order by chapter president Dick Tracy on Friday, June 9th at 2pm with the pledge of allegiance. He welcomed our new members Craig and Sue Sincock and thanked the Blackwell's and the Weinberg's for hosting the rally.

The Treasurer's Monthly & Quarterly Reports were read by the Treasurer, Helen Blackwell, and the minutes of the last meeting were read and were published in the Chapter's last Newsletter.

President Tracy reiterated that we need a Chapter Secretary. Mary Anne Weinberg filled in at our meeting and has offered to do so until the secretary position is filled.

Old Business: The 2018 SE Regional Rally will be held Lazydays in Seffner FL. Beginning on January 28 through February 3, 2018.

Registration figures to date were presented by the President. They were received from Pat Tracy. They include 114 members, 59 coaches, and 12 notebooks and 6 new timers at present.

Rally Master, Marshall Godwin presented and discussed issues pertinent to the SE Regional Rally. These included entertainment, non technical seminars and door prizes. Zane and Sue Murphy with help from Bob Angus will be responsible for the door prizes. The welcome bags will follow the format from last year's rally developed by Bob Angus. Helen Blackwell will do the registration table (she will need assistance). Identifying clothing will be decided on to distinguish our members as rally hosts. Dick Tracy will secure and provide customized Rally pens to be distributed to all attendees.

Further, we need to ensure that first timers from all chapters are welcomed and included.

New Business:

Finally another Chapter Rally will be held at Americamps, starting August 20th and concluding August 24th. This will be a working/planning rally for the 2018 SE Regional Rally. Zane and Sue Murphy will host the August rally. Further info on rally is included in this Newsletter.

The meeting adjourned at 3:30 pm.

An Update on Jean money: . I have had the brain radiation (the one where you wear the mask - just what every girl with claustrophobia longs to do!!!!). It is our hope that we were able to blast all six tumors into never never land. I will have a follow up MRI every 3 months to confirm no more have appeared. If needed, more blasting will occur.

The breast and the lungs are inoperable and chemo is ineffective. Dr Kimmick is trying 2 relatively new drugs (hormones) that have been effective in preventing the spreading of cancer cells. You may have seen Ibrance on TV dealing with lung cancer. As soon as BCBS approves it, I will start taking 21 pills in a 28 day cycle. (A month's supply cost \$14,000). I get 2 shots of Fulvestrant every 2 weeks for 3 cycles and then once a month.

I am still dealing with side effects of the radiation to my brain and my doctor has taken away my driving privileges. Sleep is very illusive. Other than that We are adjusting well - we both have traveled this road before and know there will be ups and downs.

We have been so very blessed by the many cards, calls and text messages. It's amazing how they lift ones spirit!

We are planning to go forward with the fall schedule and look forward to seeing everyone at Orange Beach Alabama.
