PRESIDENT'S CORNER

Hello everyone:

We recently completed a fun chapter rally at the Fredericksburg, VA, KOA. It was raining cats and dogs for much of the rally. Thankfully it didn't keep us from having a great time. I did end up bringing most of the firewood back home as we only

had one night suitable for a campfire. It was a great opportunity to meet two of our new members; Steve and Julianna Bachmann, and Mike and Lori Minshall. The trolley tour of Fredericksburg was enjoyable and very informative. Becky and I live about 30 miles from the town and do most of our shopping there but didn't know much about the history. The tour happened on the day of the most significant flooding of the Rappahannock River in recent history. We all got close up views of the high water from the trolley.

At the chapter meeting we elected Carol Newbury to fill the vacant Vice President position. I want to thank Carol and all the other officers who do the work to keep our chapter going strong. We also voted to allow those folks who do not own a Discovery to be non-voting chapter members according to the DOAI Standing Rules. This would normally apply to prior members who purchase another brand. Toni Calzone became our first non-voting member. Toni has been with the chapter for many years and was very instrumental in starting Camp Discovery. She has contributed much to our chapter and DOAI.

Our Fall rally is set. It will be at Americamps RV Resort in Ashland VA - see the registration form in this newsletter. We have 15 sites reserved and I expect we will take them all. Make your reservation soon. I have contacted General RV which is located near the campground. I expect they will host a lunch and provide tours of the new Discovery. They should have several 2019 models by then. Two of our members purchased new Discoveryys from this dealership and have been pleased with their buying experience and service. That seems to be the exception these days.

Dennis Kiser and Donna Crinklaw are starting plans for a Spring 2019 rally in the Williamsburg, VA area. It has been a while since we were last in Williamsburg. It is always interesting to visit that area. My grandmother was born in James City County, Virginia. I may try to gather additional family history from the county courthouse while at the rally. One of our members, Glenda Angus, and her sister, Gloria, are very knowledgeable regarding genealogy. They gave Basic and Intermediate seminars on the subject at the last SE Region Rally. Perhaps they can do one for the chapter soon. At the Fredericksburg rally I gave a seminar on the Discovery Electrical System.

We discussed having a fall 2019 rally in Pennsylvania. If any of you can recommend a good location, provide the information to our rally master, Fred Needle.

As most of you know, DOAI has two major rallies each year. The Southeast Region Rally is held starting late January at Lazydays RV Campground just east of Tampa. The National rally is held in the early Fall and the location rotates through the six DOAI regions. This year it will be in Goshen, IN, which is in the North Central Region. Please let me know if you plan to attend this year's National rally. If you have never attended a major rally you are missing a wonderful opportunity to come together with a hundred or so fellow Discovery owners. If you are a first time rally attendee, I recommend the SE Region Rally so that you can take advantage of the Camp Discovery series of technical seminars. There is nothing like this among all the owner's associations.

Take care and have safe travels.
