PRESIDENT'S CORNER

Hello Mason-Dixon members:

I hope all is well with you and that you are able to spend time in your Discovery this summer. This heat may have put a damper on

your camping unless you were able to travel to find a cooler location. We are in South Alabama and it is down right hot! At least the long range forecast shows the high temperatures dropping from the mid 90s to the 80s next week for a welcomed change.

Everything is in place for the upcoming fall chapter rally at Americamps RV Resort in Ashland, VA. Arrival day for the rally is Wednesday, Oct 30th. Departure day is Sunday, Nov 2nd. We have one third of our chapter members registered to attend. If you do not yet have a reservation, I suggest you call the campground right away at 804.798.5298. I plan to send out an updated rally schedule in the next few days to all attendees.

One of the purposes for the fall rally is to discuss and finalize plans for our chapter to host the 2020 SE Region Rally. Several of our chapter members attended the recently completed National Rally in Pueblo, CO. It will be interesting to get their feedback to see if there were any activities at the National Rally that we need to incorporate. Key Rally Coordinators should be prepared to report on their area of responsibility. If you don't plan to attend then please submit a status report to Dick Tracy by Oct 20.

One item to be discussed at the fall rally relates to new members. The DOAI board of directors unanimously passed a recommendation by the Membership Committee to offer new members their first year's membership free. We need to discuss offering the same

benefit to new chapter members. I will provide information considered by the Membership Committee in forming the recommendation.

The latest edition of the Discovery Express Newsletter was recently released. We have chapter members who are assuming senior positions of leadership in our owner's association. Dick Tracy is running for President, John Ricciardi for Executive Vice President, and Kerry Pinkerton for Vice President of the Southeast Region. Even though they are unopposed, we need to show our support by voting! Details on the voting process will be sent by email later.

Glenda Angus has just been appointed as Editor of the Discovery Express. She has done an outstanding job editing our chapter newsletter and I know she will continue that level of excellence in her new position. Congratulations.

I attended a Navy reunion last week in San Diego. Most of the over 100 who attended I had not seen in 35 years. What was readily apparent is that the aging process is not fair and our days are finite. So, make the most of the time you have now by doing important things.

Take care,
Marshall Godwin

Book Club

Jeanne Stewart

A great National Rally put on by the California Discoverys in Pueblo, Colorado. Thank you to Jim and Susan Sullivan for all your hard work!

We did have a good turn-out for our book club meeting, thank you ladies, great discussion

Ideas and suggestions were put forth in the meeting and we chose the book The Nickel Boys by Colson Whitehouse to be discussed at the Book Club meeting at the 2020 SE Region Rally in Seffner, FL. If you didn't make it to the National Rally, we missed you, but now you have your assignment for January. Pick up or download a copy of The Nickel Boys and get a head start. And remember to Register for the SE Region Rally, Camp Discovery, now.

Finally, congratulations to Dick Tracy, the candidate for DOAI president; and our special Glenda Angus, as DOAI Discovery editor!

Thank you Jeanne for all the support you provide on behalf of Mason Dixon Discoverys and DOAI.

DOAI National Rally

If you were unable to attend the National Rally in Pueblo, Colorado, you missed a good rally. There was entertainment, a breakfast, ice cream social, and dinners. We especially enjoyed taking the Heritage Tour through some farms where we were able to handpick our own vegetables. We chose cantaloupe, honey dew, cucumbers, and corn. It was a fun trip for all of us. It was good to see a number of our Mason Dixon members at the National Rally. (Glenda)

There is no Rally fee for Mason-Dixon members. There will be a fee of \$5.00 per person for non-members and guests.

In addition to fun, food and time spent with fellow Discovery owners, this rally serves as the last chapter gathering prior to the 2020 SE Region Rally. This gives us the opportunity to review and finalize plans to host that rally.

Slow Cooker Corn Pudding

(Mary Ann Weinberg)

Ingredients

1(15) ounce can cream style corn (may double)
2 (15) ounce cans sweet corn drained
1/2 cup unsalted butter, cubed
1 (8 ounce) container sour cream
1 (8 ounce) package cream cheese cubed **Not** low fat
1/2 cup buttermilk
2 large eggs slightly beaten
1 (8.5) ounce box corn bread mix (I always use Jiffy) (double if necessary)
1/4 cup granulated sugar. I use a little less.
1 1/2 tsp salt.-more or less to taste.
1/2 tsp pepper
Sour cream and chopped chives for serving. (This is optional. I don't do it for a crowd)

Instructions

Spray crockpot with cooking spray and place all ingredients (corn - pepper) in crockpot. Stir to combine and Cover. Cook on High for 5 hours or until mixture is set.

Notes

If doubling the recipe, you'll need to double the cook time so the mixture has plenty of time to set. If it looks too crispy on the outside edges, lower the temperature to low and watch. There is often a little liquid on top at the end of cooking. Turn off the heat, keep covered and let it rest. Liquid will reabsorb. A small can of undrained chopped green chilies can be added if desired. Bon appetit.

Mary Anne doubles the recipe and uses a 6 quart slow cooker—great for our potluck dinners. My favorite dish so just had to use it here. Thanks Mary Anne
