PRESIDENT'S REPORT

I know that this is late, but Alice and I have been traveling and having too much fun to do any work. My report is going to be short and sweet this month, I really do not have much to say.

Ron and Alice Kiebler, Sonny and Helen Blackwell are hard at work on the May rally in Pennsylvania planning a lot of fun things to do. I will apologize to them now for not being able to make it because Alice and I will be in Alaska by then.

As I reported last month, there is a new Florida Chapter, the Florida Discovery Sunshiners. They are having their organizational rally this month at Lazy Days in Seffner FL, March 30-April 3, 2011. If you want to be part of this event you can get the registration form from the DOAI EXPRESS April 2011 edition from the DOAI web site.

In fact if you sign up for an electronic edition, you can get it sooner and in color. Besides that, it saves on postage. To get the electronic edition, contact Nina Soltwedel via email at doaiexpress@discoveryowners.com.

The only other thing I have to do is to again remind the few people that have not paid their dues that they will be getting a separate email reminding them.

Safe Travels to All.

John Ricciardi

HUMOR FOR THE MONTH

HOW TO START A FIGHT

One year, I decided to buy my mother-in-law a cemetery plot as a Christmas gift...

The next year, I didn't buy her a gift.

When she asked me why, I replied,

"Well, you still haven't used the gift I bought you last year!"

And that's how the fight started.....

My wife and I were watching Who Wants To Be A Millionaire while we were in bed.

I turned to her and said, 'Do you want to have Sex?'

'No,' she answered. I then said,

'Is that your final answer?'

She didn't even look at me this time, simply saying, 'Yes..'

So I said, "Then I'd like to phone a friend."

And that's when the fight started...

I took my wife to a restaurant.

The waiter, for some reason, took my order first.

"I'll have the rump steak, rare, please."

He said, "Aren't you worried about the mad cow?"

"Nah, she can order for herself."

And that's when the fight started.....

My wife and I were sitting at a table at her high school reunion, and she kept staring at a drunken man swigging his drink as he sat alone at a nearby table.

I asked her, "Do you know him?"

"Yes", she sighed,

"He's my old boyfriend. I understand he took to drinking right after we split up those many years ago, and I hear he hasn't been sober since."

"My God!" I said, "Who would think a person could go on celebrating that long?"

And then the fight started...
