PRESIDENT'S REPORT

I know I'm late with this, but this time I did it on purpose. I wanted to write about our rally in Myrtle Beach, SC. This was a real good time. We even picked up new members. I'll have a little more to say on the rally late.

It's time to really get going on the Southeast Region Rally at Lazy Days in Seffner, FL, January 30 to February 4, 2011. Marshall Godwin has been doing almost all the work setting up seminars, contacting lecturers, and vendors, but he needs some help. He will need proctors to be present during the seminars; he needs one of our Red Hat ladies to host the Red Hat Society Social. There is not much involved. We will have a sign-up sheet at the registration table and we will get help for you setting up and breaking down, but we need a HOSTESS.

We are also going to need help at the registration tables. Helen Blackwell is our registrar and she already has received registrations. We need volunteers to help check in the attendees and hand out their paperwork.

Dick and Pat Tracy, our DOAI clothing vendors will need help staffing the booth selling the wonderful line of clothes they have. They will also need help setting up and breaking down.

I'm sure there will be other times help will be needed, so if you are attending the Southeast Region Rally, PLEASE help.

TREASURERS REPORT

As of November 1, 2010 we have \$5,521.91 in the Mason-Dixon Discoverys account. This amount also reflects registration fees for the 2011 DOAI Southeast Region Rally.

NEW MEMBERS

We welcome new members Pam and John Wright who joined us at the Myrtle Beach Rally.

(I will be updating the roster and sending out new ones as soon as possible.)

MASON-DIXON CLOTHING

We only have two (2) X-Large grey Mason-Dixon logo sweat shirts left. They are \$10.00 each.

Dick Tracy is in the process of obtaining prices on more clothing. He is getting prices on men's and ladies sized shirts and sweatshirts.

RALLY REPORT

Our rally at Briarcliff RV Resort in North Myrtle Beach, SC was attended by our new members that joined us there, Pam and John Wright, Mary Ann and Larry Weinberg, Julie and Lee Barefoot (co-host), , Alice and John Ricciardi, Martha Tom Hundley , and Elizabeth and Bob Deal (co-host),

The weather was cold and sometimes rainy, so we rented the clubhouse recreation room for our social activities. We had plenty of room and a lot of warmth.

Wednesday night, homemade soups were prepared by our hosts and the Ricciardi's. Salad and fixin's provided by the Weinbergs and Hundleys. We all brought our appetites and ate well. After dinner, we played games and let Martha Hundley think she won.

Thursday was a rainy day and not much was done during the day, but we went out to dinner to Bennett's Calabash Restaurant, via the scenic route. (I was leading the caravan and I missed the restaurant.) This just gave us a little more time to wet our appetites. The food was good and it was plentiful.

Friday, some of the men played golf, and some of the ladies went shopping. Supper was a modified pot-luck with a lot of wonderful food. Afterward, we again played games and laughed a lot.

Saturday was a day that started with made from scratch biscuits and gravy prepared by Elizabeth Deal and enjoyed by all. The day was spent sightseeing, beach walking, and shopping. It finished with a fine meal prepared by all and more games and much more laughter.

HUMOR FOR THE MONTH

A lady goes into the butcher shop and as she is walking around the store, she spies a beef tongue in the butchers counter. The lady asks, "What in the world is that?"

"Beef tongue," replies the butcher!

The lady gives a little involuntary shudder and says, "No way would I ever put anything in my mouth that came out of the mouth of an animal."

The butcher nods sympathetically while peeking into the woman's shopping cart, "I see you're buying a dozen eggs!"

A photographer for a national magazine was assigned to take pictures of a great forest fire. He was advised that a small plane would be waiting to fly him over the fire.

The photographer arrived at the airstrip just an hour before sundown. Sure enough, a small Cessna airplane was waiting for him. He jumped in with his equipment and shouted, "Let's go!"

The tense man sitting in the pilot's seat swung the plane into the wind and soon they were in the air, though flying erratically.

"Fly over the north side of the fire," said the photographer, "and make several low-level passes."

"Why?" asked the nervous pilot.

"Because I'm going to take pictures!" yelled the photographer. "I'm a photographer and photographers take pictures."

After a long pause, the 'pilot' replied: "You mean you're not my instructor?"
