7:30 to 8:30 am

Continental Breakfast

In Lake Pavilion included in the rally fee. Depart **for home**,
Check Out 1:00 pm, have a safe travel wherever you are going.

All these activities are north of Bedford there is A LOT to see south of Bedford including the Colonial Era Town of Bedford itself with a rich history during the French & Indian Wars and the Whiskey Rebellion. Fort Necessity is a little bit of a drive but interesting to history buffs. The famous architect Frank Lloyd Wright has his most famous home Falling water and also nearby his Kentucky Knob Home. Just a few ideas with lots more to discovery!
